HOW TO GET STARTED

01 Add Express Package to your Subscription

This is an enhanced service for customers who subscribe to our platform in addition to your existing plan. Reach out so we can help you if needed.

02 Understand our Design Qualification Rules

- Single sign design projects only.
- Static presentation template, which means basic sign descriptions and general site contact info (name, phone, email etc).
- No 3D Renders. 2D mockups are OK.
- Simple, automated Logo vectorizations.
- No missing assets or information in the ticket. If we need to call, we won't be able to make it.
- Same-day delivery submission cutoff: 1 PM EST. Next-day if later.

03 Start Ordering!

Yes, it is that simple. Your qualifying orders will automatically be routed to the Express team with no additional actions required on your end.

04 Request Revisions as Usual

Watch out! These requests will be sent back to you ultra fast!
